Hi PREDICT EB,

First Happy New Year!

Now back to business. I'm sharing our Annual Report and hope that you all will thank your staff and teams for all their contributions and hard work to make this such a nice product.

Looking forward to seeing you next week,

Hi Andrew and Alisa,

Attached is PREDICT's 2016 Annual Report. If interested I can make the high resolution version available as well (at over 100MB it cannot be shared by email)

As I'm sure you discussed with Jonna a few weeks ago, we designed this report with an extractable GHSA report (Section 1, pages 4-151). I can also make that report available as a separate PDF if interested.

There is a lot of great work highlighted here, it's really amazing to see all that we've accomplished this year, but more exciting still is what lies ahead.

Happy New Year,

David
